Dear Sir

## **Sub: Request for a Meeting**

We heartily congratulate on your achievements in assisting the Ministry of MSME in formulating, co-ordinating, implementing and monitoring different policies and programmes for the promotion and development of MSMEs in the country. The MSME sector is rebounding, profit levels are stabilizing, and hiring is increasing. Major credit is attributed to your dynamic approach.

The Builders Association of India (BAI) is the apex All-India body of engineering construction contractors and real estate companies founded in the year 1941 with more than 20,000 business entities as its members through nearly 200 centres (chapters) across the country.

Our contractors members have played in construction of various Technology Centres (TCs) under the TCSP- which is a World Bank Project. Some of these technology centres have already been inaugurated and successfully operating thus benefiting the MSME sector in skilling manpower, providing access to advanced manufacturing technologies and providing technical and business advisory support to MSME entrepreneurs.

However our members who have executed these projects have approached regarding the payment and other issues. To find urgent resolution to these issues we seek a meeting with your good self.

Kindly take time out of your busy schedule to listen to these issues of our contractor members.

Thanking you in positive anticipation.

Yours faithfully,

**R. N. GUPTA**
