In this regard, BAI Headquarter have received the following queries from Shri N. Raghunathan, Managing Committee Member, BAI Poonamallee Centre. :-

**Q1. There is over 150% increase in expenditure under the head ‘Printing & Stationery’.**

**Answer:** Yes, there is 150% increase in expenditure under the head ‘Printing & Stationery’ when compared to last year.

Sir, as you are aware in the F.Y.2020-21, due to Covid 19 situation, we have circulated the communication like Agenda of MCGC Meetings, Circulars etc. to members by ‘Soft Copy’ only (email, whatsapp etc.)

Once, the Covid situation was under control in the FY 2021-22, we printed copies of Agenda, Annual report, Circulars, Election letters etc. were sent to members by ‘hard Copy’.

Hence, the ‘Printing & Stationery’ expenses increased.

**Q2. There is an expenditure of about Rs.8.70 lakhs towards office renovation expenses. I hope this amount would have been budgeted. If not, please let me know whether it has be ratified by MC/GC. Also please clarify why this could not be booked under ‘Earmarked Fund’.**

**Ans:** The above matter was discussed in the Managing Committee Meeting held on 20th February, 2021 at Coimbatore, under Agenda Item No. 07. To Apprise members on the Urgent need of Terrace Slab recasting of BAI HQ office and subsequent Interior Works. (We give below extract of the minutes).

The Hon. General Secretary brought to the attention of members on page No.73-80 of the agenda, circulated to them, which gives a complete picture of the matter mentioned in the agenda item.. He then informed members about the communication sent by Commerce Centre Society by stating that, the terrace portion above our office premise is totally in bad shape due to corrosion of the steel pipe which was laid around sixty years ago. The Society's communication also had an attachment of the opinion provided by a certified Structural Engineer explaining the serious damage it could create to the premises. Further, the Society advised about the urgent requirement of recasting the slab to avoid a possible collapse, which may cause loss to properties as well as human life. The Society requested BAI to vacate our office so that the terrace portion could be repaired with lying of new steel and RCC. The Society also insists BAI to indemnify the society for any future damages if BAI is not agreeing to repair the terrace area. BAI thereafter approached an independent Structural Engineer for his opinion and the same is also included in the agenda page No.81-82. It clearly mentions the corrosion and advised BAI to repair the same immediately to avoid losses both human and capital.

He then stated that, it is necessary to recast the slab and BAI have to redo the interior work, including the POP work and it may cost approximately around Rs.25.00 lakhs. Members after discussion approved the cost of interior work of BAI HQ Premises and authorized to spent the amount.

The decision in this regard was proposed by Shri R. Radhakrishnan, Past President and Past Trustee and Seconded by Shri Vijaya Raghava Reddy, Past President.

As approved by the Managing Committee, a Committee is formed with Shri Pradeep Nagawekar, Hon. General Secretary, Shri Neerav Parmar, Vice President, Shri Mohinder Rijhwani, Chairman, Mumbai Centre, Shri Raju John, Executive Secretary to supervise the interior work of BAI. The Interior work is awarded to M/s. Faiz Décor.

The total Bill amount was Rs.23,52,986/- and we have paid an amount of Rs. 23,21,326/- including Rs.8,70 Lakh.

There is still a balance of Rs. 31,660/- is still payable to M/s. Faiz decor.

**Q3. There is a whopping sum of Rs.95.25 lakhs under TDS receivable. Please let me know whether this has been adjusted before paying income tax under protest. Also, please advise us on the status of our claim in this regard.**

**Ans:** BAI's consolidated Income Tax Returns are under scrutiny and pending the same for the last eight years, therefore, our claim for refund have not been acceded by the department.

**Q4. Under schedule F you have provided Rs.605994/- towards interest payable to Centres on TDS Refund. Please let us know how you wish to dispose this of.**

**Ans:** BAI's consolidated Income Tax Returns is under scrutiny and pending the same for the last eight years, therefore, our claim for refund have not been acceded by the department.

Once, the amount is refunded by the Income Tax department, the same will be allocated to the centre as per TDS certificate of the respective centre.

**Q5. Kindly advise me the present interest rate applied on Patron Members' money for the purpose of transferring centre's share.**

**Ans:** BAI HQ is distributing the interest @6% (60% of 6%).

**Q6. From what you have said I understand that Rs.95.25 lakhs of TDS receivable represents refund due from the income tax department i.e., nett of TDS less income tax levied. Am I right?**

**Ans:** Sir, As per Income Tax Return filed till now, no tax is payable. Hence it is a Gross TDS before deducting of Income Tax levied.

**Q7. Regarding renovation expenses, I had queried why it was not charged against Earmarked Fund. Please enlighten me on this.**

**Ans:** There was a balance in 'Office Renovation Fund' carried out from earlier years, hence, our consultant has advised us to utilise this 'Office Renovation Fund' and excess amount to be transferred to 'Income and Expenditure' account.

Shri R. Radhakrishnan, Past President & Trustee appreciated the earlier team of BAI Headquarter Office-Bearers for the record surplus made during the year 2021-22. He also expressed his appreciation for the financial discipline implemented by Executive Secretary, Shri Raju John in the functioning of the association and also making BAI a surplus generating organisation.
